

**YOU'RE INVITED:**

# Virtual Reality Leadership Training with Moth+Flame

Throughout Leadership Wellstar Week, we hope you sense our excitement about the future. We are confident that infusing our work with a new digital operating model will unlock new ways to collaborate and advance our organization, and we trust you, our leaders, will drive this innovation.

In that spirit, we invite you to join Wellstar's **first-ever virtual reality-based leadership development training**, brought to you by Catalyst by Wellstar and Leadership Development. We're partnering with **Moth+Flame**, an award-winning virtual reality provider and technology studio, to pilot an immersive VR-powered learning experience for our Wellstar leaders.

Through this experience, you'll use VR headsets and iPads to navigate an immersive virtual reality scenario designed to support your professional development and help prepare you to **guide your teams through moments of change**. Studies have shown that virtual reality learners are:

**275%** more confident to act on training content

---

**3.75x** more emotionally connected to the content

---

**4x** faster at learning the content

---

 **Click here to reserve your spot today!**

**We'd like for you to keep up the Leadership Wellstar Week momentum and help bring these VR benefits to life! Spots are limited and filling up fast.**

We can't wait to debut this exciting technology to support your growth as a leader. Please reach out if you have any questions, and thank you for all you do for Wellstar and our teams.
