Your Donation Counts

Wellstar team members generously donate more than \$1 million to the Wellstar Foundation each year, and every dollar given goes toward initiatives that fund our mission and transform healthcare in Georgia for all.

Donations make the following possible:

Wellstar's **mobile food pantry** offers free groceries, educational materials, safety equipment, and a SNAP benefits professional to assist families in need.

Free mammograms and diagnostic services to uninsured and underinsured patients across Wellstar's service area.

Wellness Rooms provide team members with a place to reflect, refuel and recharge with innovative technology designed to relieve stress.

Wellstar's **Zero Suicide initiative** integrates behavioral health services throughout every service line for both adults and children.

Wellstar emergency departments and trauma centers are equipped with the **latest innovations, simulators and life-saving resources**.

Expanding world-class care close to home through **advanced technology and telemedicine equipment** in Wellstar's care sites and community spaces.
